

Driving Mobility

**DEVSHI MOTORS PRIVATE LIMITED**

# Corporate Profile

For more than three decades, Devshi Motors Private Limited has set the benchmark for excellence in the global distribution and servicing of heavy equipment, commercial vehicle, marine and automotive parts.

At Devshi Motors, our dedication to delivering quality products and unparalleled customer support is driven by your success and satisfaction.

## Heavy Equipment & Marine Parts

**Spare Parts for Excavators, Bulldozers, Loaders, Mining Trucks and Marine applications.**

## Auto & CV Components

**Passenger Car Spare Parts and on-highway Commercial Vehicle**

## Service Center

**Service workshop provides aftersales solutions by providing quality repairs and handling OEM warranty through our highly qualified technical team**

# Miscellaneous Truck Parts

### Radiator, Condensor & Intercooler

Devshi imports and stock BEHR, Titan OEM Radiator Assemblies, Radiator Core, Intercooler and Condensor for all Commercial Vehicles.

### Clutch & FlyWheel

(DIA 170, 240, 280, 310, 330, 352, 380, 14", 15")

### Miscellaneous Truck Parts

Devshi imports and stocks full range of European truck parts for VOLVO®, MAN®, SCANIA® and MB Actros® Trucks. Ball Joints, King Pin Kits, Engine Mountings, Bushings, Bearings, Brake Shoes, Brake Caliper Kits, Brake Drums, Hub, Bolts and Nuts, Fan, U Joints, Water Pumps, Flywheels.

### Truck Body Parts

Devshi imports and stocks full range of Truck body parts – Bumpers, Front Panel, Grill, Foot Step Cover, Battery Cover, Wiper, Wiper Motor, Expansion Tank, Head Light Assemblies, Lens, Head Light Shrouds, Head Lamp Cover, Moulding Cover, Side Lamps, Fog Lamps, Mirror etc. for VOLVO®, SCANIA®, MAN® and MB Actros® Trucks.

Track Shoe / Track Link Assembly

- High quality special alloy cast iron
- Unique heat treatment procedure
- Bucket Teeth, Points, Ripper, Shanks, Cutting Edges and End Bits etc. adaptable to Caterpillar®, Volvo®, Komatsu®, JCB®, John Deer®, Daewoo® and Hyundai® equipment.

## Hydraulic Applications

Devshi provides broad coverage of quality hydraulic components including Gear Pumps, Vane Pump Cartridges, Piston Pump Parts, Valves, Pipes, Cylinders, Rods, Pistons, Seals and Hydraulic Cylinder Seal Kits, and related components.

## Piston Pump Components

- High-grade material matching rigid requirements
- Pistons, Barrels, Shafts and Plates etc. 100% interchangeable with Caterpillar®, Volvo®, Komatsu®, Vickers®, Sauer-Sundstrand®, Rexroth®, and Kawasaki® piston pumps.

## Duo-cone Floating Seals

- OEM standard special alloy cast iron
- Resin-bonded sand molding
- High hardness HRC65-72
- Full range adaptable to Caterpillar®, Komatsu®, Volvo®, Hitachi®, Kobelco®, Sumitomo®, Kato®, Daewoo® and Hyundai® equipment.

## Gear Pumps

- OEM aluminum alloy casting body
- 100% interchangeable with Caterpillar®, Volvo®, and Komatsu® gear pumps.

## Bimetal Bushing & Bushing Assembly

- OEM material standard
- Centrifugal casting or bronze powder sintered process
- Full range adaptable to Caterpillar®, Volvo®, Komatsu®, Hitachi®, Kobelco®, Sumitomo®, Kato®, Daewoo® and Hyundai® equipment.

## Transmission, Final Drives & Drive Line Components

Devshi offers coverage for popular Transmission, Final Drives and Drive Line Components including Torque Converters, Dividers, Planetary Transmission Parts, Final Drive Gears, Steering Clutches Parts, U-joints, Friction Disks, Brake Bands, Bearings and Related items for these applications.

## Gas valves

Selective replacement for L' Orange

## Large Engine Gas Valve LEGV 400

For the use in land based single and dual-fuel engines

Flow limiter, PLV & Valve assembly

- Large Engine Gas Valves for precise, cylinder individual controlled port fuel injection
- Simple drop-in replacement for existing valves in the market
- For new engines and spare part use
- Works with existing control units on target engines
- Compliant with applicable CE Directives – EMC, ATEX, Machinery (as partly completed machinery)
- Based on proven Bosch Gas Valve technology
- Future proven – Hydrogen and Ammonia readiness achieved

No legal advice - provided for informational purposes strictly on a non-reliance basis.  
**Economical. Powerful. Reliable.**

Based on proven  
**OE technology**

ims

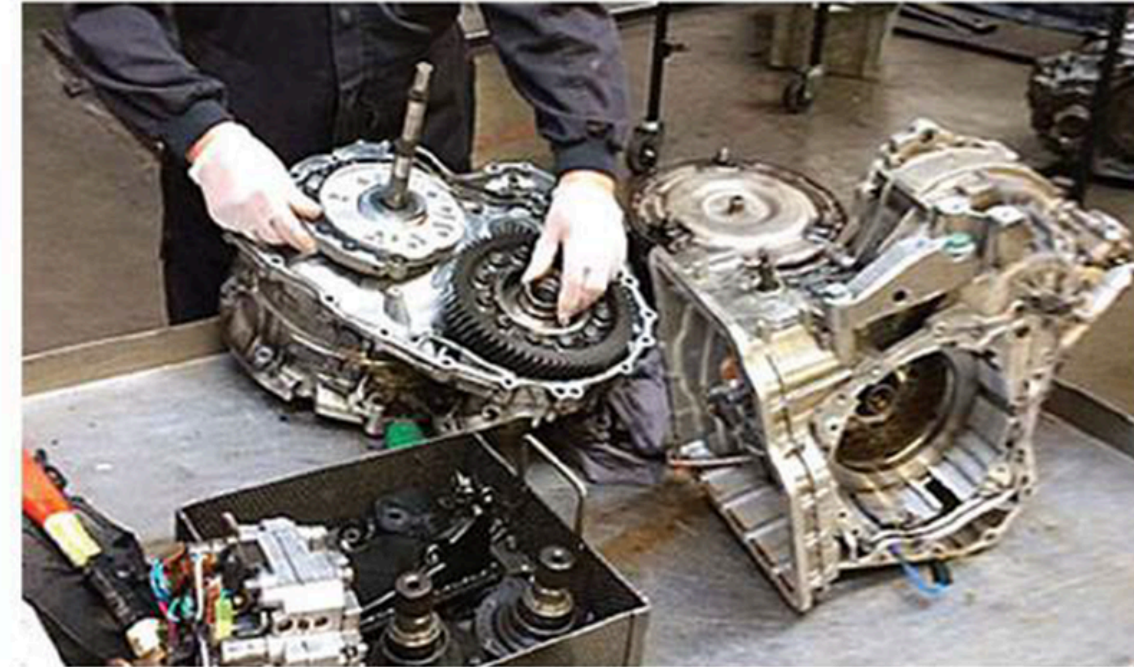

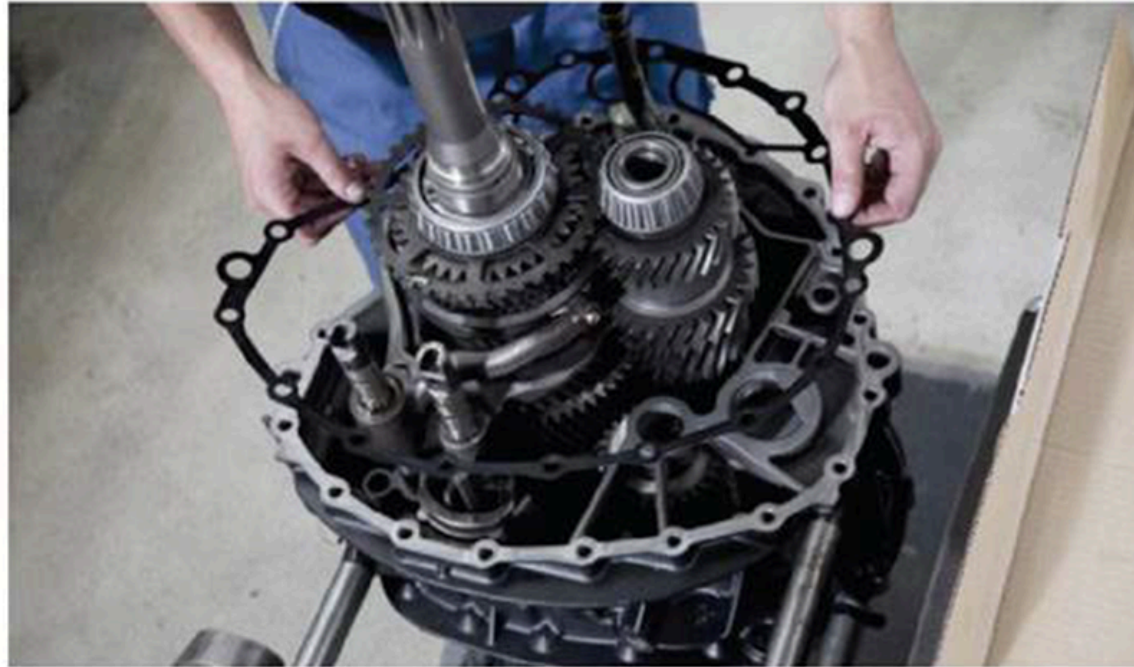

Long service life  
**16,000 h confirmed**

reliable operation  
confirmed by engine validation of LEGV family

Outstanding  
**Reliability**

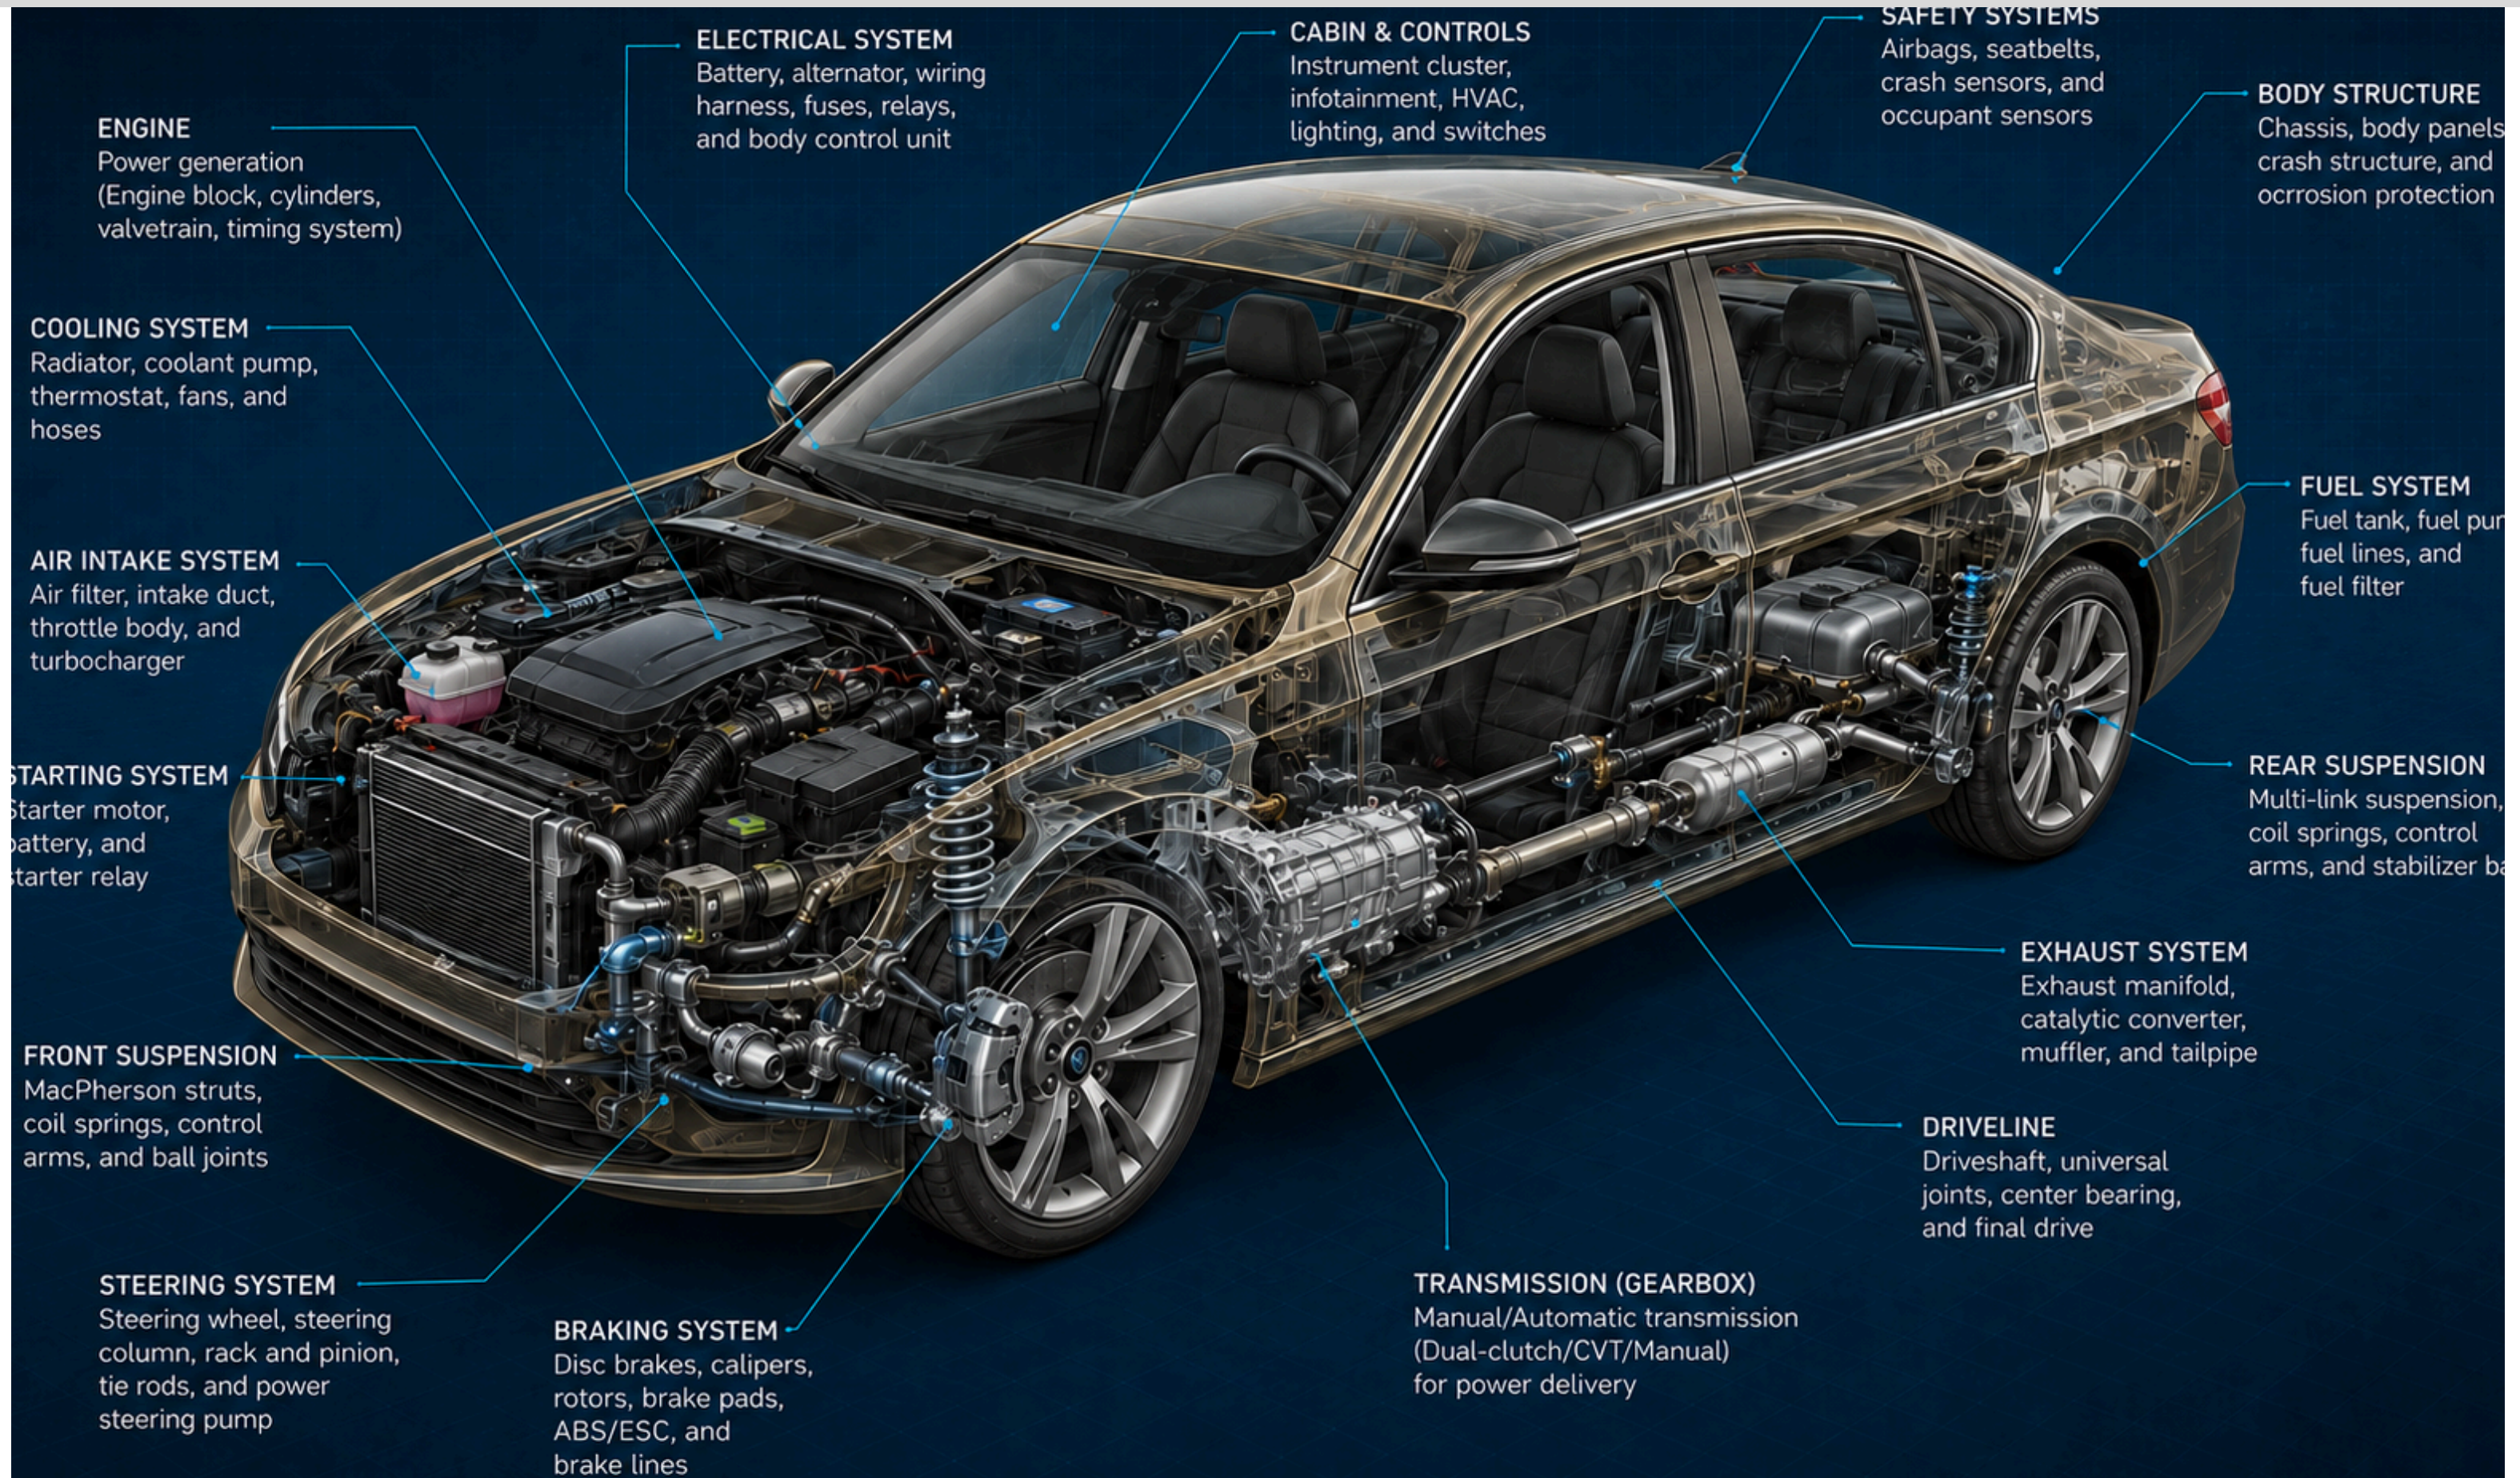

Very low internal leakage and flow drift  
over lifetime for improved fuel consumption and TCO
